The image shows a close-up of a wall covered in feather stone tiles. The tiles are rectangular and arranged in a staggered pattern. Each tile has a textured surface that resembles the fine, overlapping barbs of a feather. The color of the tiles is a light, neutral tone, possibly off-white or light grey. On the right side of the image, there is a large, out-of-focus teal feather, which provides a color contrast and a sense of scale to the tiles.
